### Packed Lunch Fridge

A big thank you to all those parents who helped to raise funds for the packed lunch fridge which has now arrived. It will be placed outside the main doors every morning, if you could please place your child's lunch box and drink inside before coming into pre-school it would be very helpful, thanks.

### Our New Pets

We have kindly been donated some new pets for the children to help look after.

Our stick insects can be found at the back of the school and will be very educational for the children, especially in helping them to learn how to care for living creatures and life cycles.

### This Term's Activities

This term we will be very busy with Mother's Day and Easter.

We will be incorporating shapes and colours into our activities.

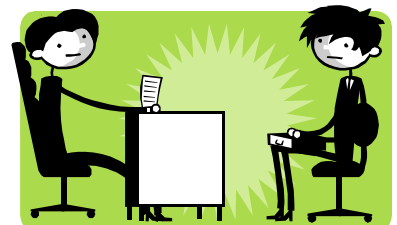

We will also start planting up our bulbs and vegetables in

the new outside planter. Unfortunately it currently has no soil in it so if anybody has any unused peat or topsoil they would like to donate it would be greatly appreciated

### Parents Evening

Don't forget Parents Evening next week (1st/2nd March)

### Electronic Fee Payment

Don't forget you will be able to pay your fees directly into our bank account. Details will be on your Term 4 invoice.
